

Introduction to PADLET

Padlet is an online post-it board that can be used in a virtual, hybrid, or in-person classroom environment. This webinar will demonstrate a variety of ways Padlet provides a platform for students to share ideas, respond to classmates, and engage in the learning experience. You might even discover ways to use Padlet in your own workplace setting!

All Bernards Twp. parents are welcome to participate in this free class offered by the Bernards Township Education Association.
