

# Tune In To Turnitin!

Turnitin.com was originally developed as a tool for students to peer edit, and then marketed as a way for professors and teachers to check for plagiarism. Today, Turnitin still offers both of those important applications and more. This one-hour virtual clinic will give parents the opportunity to see how Turnitin is used to provide writing instruction in classrooms at the secondary level, including providing feedback, facilitating peer discussion and revision, and to educate about plagiarism. Ridge High School teachers Jennifer Collins and Julie Harding both have extensive experience with the website. For the best virtual experience, please come prepared with your student's Turnitin.com login information. All Bernards Twp. parents and students are welcome to participate in this free class offered by the Bernards Township Education Association.

**Monday, September 14th**

**7:30-8:30 p.m.**

**Hosted by RHS ELA Teachers Jennifer Collins and Julie Harding**

**Sign up at <https://www.tinyurl.com/bteaturnitin>**
