

VIRTUAL LEARNING MADE ORGANIZED!

Google is a wonderful platform for education! There are so many things your child (or you!) can use to streamline this "new world" of learning. Some examples of these helpful features are organizing Gmail tabs, Google Drive (includes color coding!), Google Calendar and Google "post-its." Take this clinic to learn some tips and tricks for your Type-A kid, your less-than-organized kid, and anyone in between! All Bernards Twp. students and parents are welcome to participate in this free class offered by the Bernards Township Education Association.

Tuesday, September 15th
7:00-8:00 p.m.

Hosted by WAMS World Language Teacher Deirdre Bachler
