

# PEEK INSIDE A "VIRTUAL LOCKER" (GOOGLE CLASSROOM)

Google Classroom is your child's "virtual locker!" Educators in grades 3-12 will rely heavily on this tool for both blended (at-home and in-person) and virtual learning. Assignments, Quiz Assessments, Questions and Materials are all things your child might do on Google Classroom this year. Take this clinic to see and experience some of the features and activities your child will need to know about while using this very important tech tool!

All Bernards Twp. parents are welcome to participate in this free class offered by the Bernards Township Education Association.

Thursday, September 10th  
7:00-8:00 p.m.
