

FlipGrid: A Voice For All Students

Want to learn how educators use FlipGrid as an instruction and assessment tool? Want to assist your child with FlipGrid? This course will feature an overview of FlipGrid and its accompanying features. Participants will learn how to establish an account and assist their child(ren) with listening and recording activities. FlipGrid is a free digital platform that works on any electronic device. All Bernards Twp. parents and students are welcome to participate in this free class offered by the Bernards Township Education Association. Don't miss this opportunity!
