

5th Grade Yearbook

PLEASE READ CAREFULLY!

The fifth grade yearbook is in the works and we need your help!

Please submit:

- 1 baby photo of your child
- 1 first day of kindergarten photo of your child
- 4-5 Oak Street candid photos of your child*

*Candid photos may be from any year your child has been at Oak Street School K - 5th grade.

*Photos do not specifically have to come from the classroom or in the building, but do need to be Oak Street related and need to be of current fifth grade students only. They can be from any Oak Street event, including field trips, Halloween parades, Roald Dahl Day, school plays, field days, class parties...etc. Please no personal sports and vacation photos. The fifth grade yearbook is a culmination of the fifth grade students' time at Oak Street; we are sorry that we cannot accommodate more photos and thank you for understanding. **(First day of K photo can be from another school if your child did not begin at OSS)**

*If your child did not begin Oak Street School in kindergarten, please email the below address indicating what year/grade your child began OSS.

*If you do not have enough candid photos of your child please email the below address as soon as possible so that we can make sure to get them!

Please submit photos through the below link -
